Graphic Design Intern (Remote Position)

About us:

We are an international social enterprise specialized in transforming conflicts, building sustainable peace, and promoting development through strategic communications. We support organizations, companies, and governments to develop and implement practical skills and solutions that would enable them to achieve their objectives, engage and empower their audience and stakeholders, and create a long-term impact.

Our main services include online and offline capacity building programs, communication services, projects management, and monitoring and evaluation. In our work, we use the latest, the most innovative, and contextualized approaches and techniques to support our clients and partners in achieving a long-term impact.

Position:

PVE for Peace is looking for a dynamic intern with a background in graphic design to remotely join its creative team. The internship will last for two months, with a possibility of extension.

Tasks:

- Conceptualize visuals based on requirements.
- Develop illustrations, logos and other designs using a specialized software.
- Support in developing different forms of communication assets to include infographics, Power Point presentations, motion graphic videos, posters, and other marketing tools.
- Work collaboratively with the Capacity Building and IT Coordinator to design the storyboards of websites, e-learning platforms, and online courses.
- Test graphics across various social media platforms.
- Amend designs after feedback.
- Ensure that the final graphics and layouts are visually appealing and on-brand.
- Create designs using illustration, photo editing and layout software.
- Adapt the creative assets according to the platform to be used.
- Collaborate with other team members, throughout the different phases of a project.

Qualifications:

- At least two years of university studies or two years of vocational training in media and communication, audio-visual arts, graphic design or a related field.
- The ability to create appealing and artistic graphics.
- Proven graphic design experience in the form of internships, volunteering experience, or freelancing (current students can share their creative portfolio instead).
- The ability to work methodically and meet deadlines.
- Familiarity with design different software and technologies (such as InDesign, Illustrator, Dreamweaver, and Photoshop)
- Good command of English and Arabic.

Application

If you are interested to join and benefit from a dynamic and youthful team, please send your CV and a link to your creative portfolio no later than November 30th, 2021 to: mamziab@pveforpeace.com.
