

**Middle East and North Africa Regional Youth Network on HIV and SRHR
(SIBA)**

Call for Applications

Title:

Website Developer for SIBA MENA

DEADLINE: 20th of August 2024

Background:

The Regional Network on HIV and SRHR (SIBA) is a network of young people from the MENA region. This network aims at raising the voices of the regional situation globally and empowers young people in the Middle East and North Africa by promoting youth leadership in the HIV response and Sexual Reproductive Health and Rights. The network is fiscally hosted by Association de Lutte Contre le Sida and it strives to implement three objectives; Strengthen the Governance of SIBA Network, Address the Challenges Facing Youth Living with HIV to Meet the 2030 Global Targets, and Ensure the Sustainability of SIBA Network.

SIBA is working all over the MENA region and has members across 11 countries. To ensure the sustainability of the network, it's critical to develop the leadership and communication skills of SIBA's members. And accordingly, SIBA is currently receiving applications from consultants to create a website and digitalize the SIBA MENA curriculum grant management, and reporting for young people.

Objective:

Create a youth friendly curriculum on Proposal Writing, Grant Management, and Reporting for young people.

Website Development Objectives:

Objective 1: Launch a user-friendly website that hosts information about the SIBA MENA curriculum, grant opportunities, and reporting mechanisms.

Objective 2: Ensure the website design is responsive, accessible, and aligns with the branding and objectives of SIBA MENA.

Objective 3: Implement a content management system (CMS) for easy updates and maintenance post-launch.

Objective 4: Integrate necessary functionalities such as application forms, resource downloads, and contact forms.

Digitalization of SIBA MENA Curriculum Objectives:

Objective 1: Convert existing curriculum materials into digital formats (e.g., PDFs, e-learning modules).

Objective 2: Organize digital content logically to facilitate easy access and navigation for learners.

Objective 3: Ensure compatibility with various devices and internet speeds prevalent in the region.

Consultant Requirements

The consultant recruited by SIBA will develop the website and digitalize the SIBA MENA curriculum grant management, and reporting for young people within 30 days.
