Project: Bridge to Middle School Activity “Bridge”

Date: October 11th, 2024

Locations: Rabat – Morocco

Level Of Effort: Full-time

Expected Start Date: November 1st, 2024

Project Description

Family Health International 360 (FHI 360) is a nonprofit organization focused on human development, which works to improve sustainable living conditions by promoting integrated solutions adapted to the local context. FHI 360 is present in more than 70 countries and throughout the United States.

The Bridge to Middle School Activity “Bridge” is a systems-strengthening and capacity-building intervention that seeks to improve students’ ability to master key skills in the upper primary and middle school (“junior secondary”) grades and to facilitate the transition between the two levels of schooling. Activities will address a) the ability of teachers to teach critical thinking, and students to master, literacy skills, math skills, and science skills in the upper primary grades; b) the ability of the Moroccan education system to provide high-quality literacy instruction in English and Arabic in the middle school years; and c) the ability of the Moroccan education system to provide high-quality STEM (Physics/Chemistry taught as one subject and Biology/Geology taught as one subject) instruction in the middle school years. Additionally, the project will build subrecipients’ capacities to directly respond to the development problems prioritized by the USAID Mission in Morocco.
