

Educational Outreach Officers – Morocco

Summary

SAFE-MIT is seeking three Educational Outreach Officers (EOOs) with fluency in French or English and Darija for an educational outreach campaign in Morocco.

This campaign will target students aged 13–18 and their teachers, with the aim of raising awareness on irregular migration and human trafficking.

Successful candidates will have a proven track record working with youths and teachers in Rabat, Salé and Kénitra, demonstrable knowledge of irregular migration and human trafficking, and the ability to work independently. Candidates must reside in Rabat, Salé and Kénitra and be able to travel daily and autonomously within their region.

Contract type: Full-time (approx. 40 hours/week)

Duration: 9.5 months

Start date: Estimated 15 September 2025

An excellent candidate

To thrive in this role, you will need the following experience and capacities:

1. Be based in the regions of Rabat, Salé and Kénitra
2. Have the ability to travel to the schools of your region.
3. Have an undergraduate degree.
4. Have more than three years experience working with youths and teachers.
5. Have excellent computer literacy and access to the internet. Experience with Google Suite would be an advantage.
6. Have fluency in written and spoken French or English and speaks Darija.

You should be highly organised, proactive, responsive, and comfortable working independently.

Responsibilities

The following are the primary responsibilities of the role:

- Participate in trainings as requested by your supervisor, including mandatory training on child safeguarding and ethical communications principles.
- Research and map the schools in your region.

Implemented by

Contracted by

- Get school directors of mapped schools to fill out a survey to assess the schools' eligibility to participate in the project.
- Assist in the final selection of the schools.
- Work with the directors of the selected schools to put forward names of eligible teachers.
- Get eligible teachers to fill out a survey to assess their eligibility to participate in the project.
- Assist in the final selection of the teachers.
- Ensure directors and teachers sign partnership letters with selected schools, as well as adhere to all safeguarding measures.
- Organise the teacher training and train the selected teachers. Ensure that the teachers fill in the baseline and endline surveys presented to them during the training.
- Organise and conduct in-school sessions in each selected school. Ensure that the students fill in the baseline and endline surveys presented to them during the training.
- Provide guidance and motivation to the teachers and schools through support calls.
- Complete administrative and financial tasks as needed.
- Engage and build strong relationships with local stakeholders.
- Provide insights on the local context.
- Report safeguarding incidents immediately and maintain a documented log of all visits and interactions.
- Translate tools and other short documents into local languages.
